

How to log in to Your Paignton swimming club /membermojo online membership page
And setup your password for login.

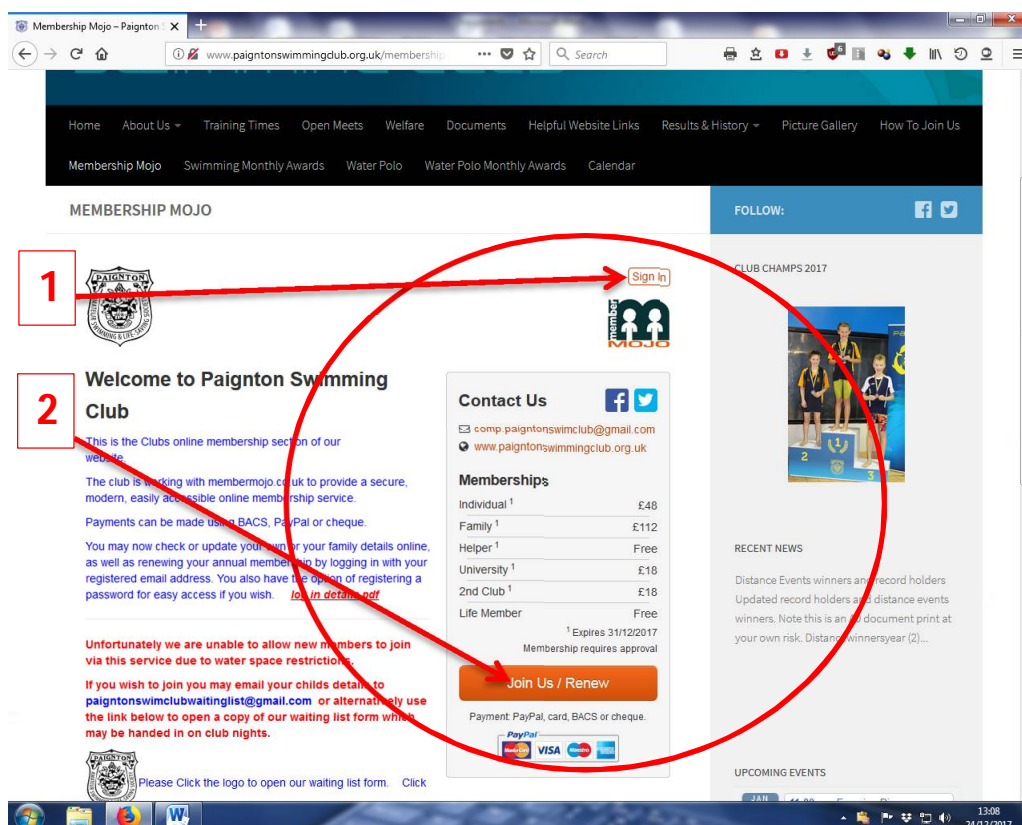

1. Open your browser of choice and go to <http://www.paigntonswimmingclub.org.uk/>
2. Once there click on the membership tab

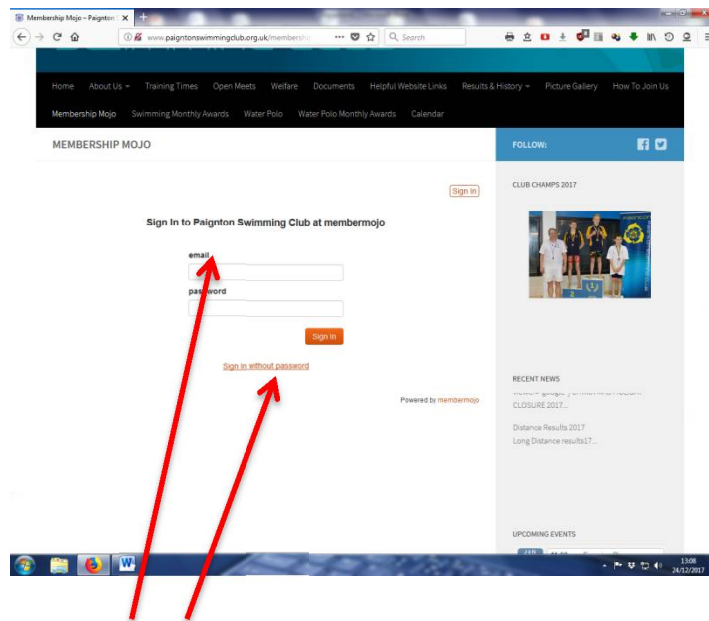

3. When the membership page opens look at the membermojo screen below

1 The top one allows you to sign into edit any of your personal details and contact/emergency contact details.

2 The second allows you to pay/renew for your membership.

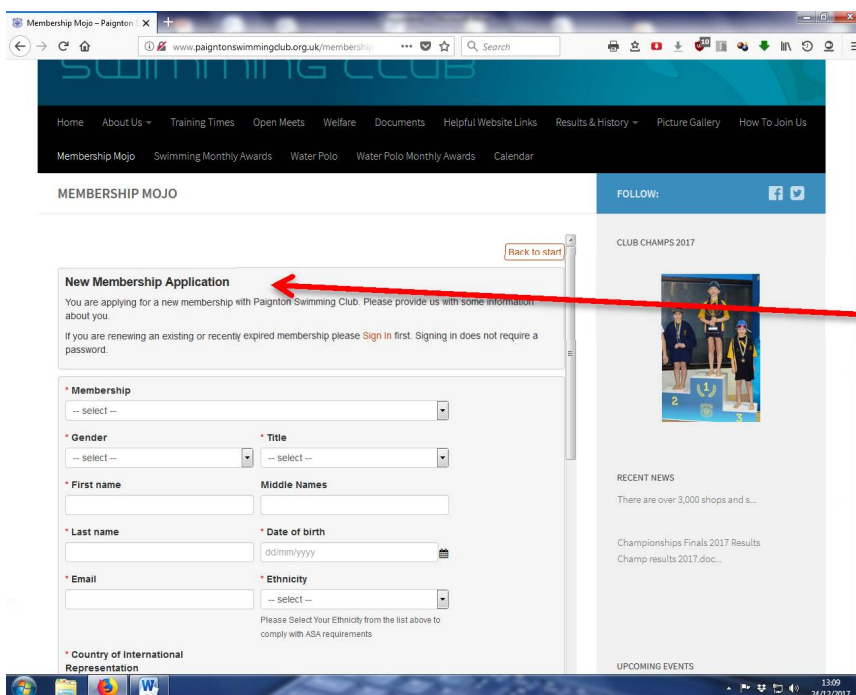

4. Click on the **1** button a new webpage on the secure membership site will open.

Log in using your email address that you have registered with the club. This will send an email to your email address with a login link to allow you access to the membermojo site.

When logged in, you should find a setup password button at the bottom of the member page on the right hand side. If you set up a password you can log straight in using the email and password as in the screen shot above the next time you use the site and will then not need to go via a link to your email account.

5. To Join the club Click on the **2** button a new webpage on the secure membership site will open.

When the page opens you may start to fill in the online membership form.
