PAIGNTON AMATEUR SWIMMING AND LIFE-SAVING SOCIETY

(Affiliated to the Western Counties A.S.A., Devon County A.S.A., and Royal Life Saving Society)

CHAIRMAN'S LETTER

Dear Members, Parents and Friends,

Fergie's not the only one for whom 8 is a special number this year. Paignton Swimming Club is 88 years young in the year 1988.

Advantages of our well extended youth are very evident, not only in the years of experience being passed on, on poolside, but also by the family trees being written in the Club's history book and the sporting traditions which are being nurtured. Roy and Josie Hoare brought five Devon County Swimmers into the world and are not watching their grand-children take their first steps in competitive swimming with the Club; Roy's notched up 30 years with the Club and has helped hundreds of young swimmers gain water confidence. Our new President, Harry Truscott, is also a member of the 'three generations club', particularly in the speciality of breaststroke and his granddaughter is already a Club Record Breaker.

Nobbie Clarke's death and that of his wife Irene, was a great loss to us all. Many of our present parents watched their children being taught by Nobbie and remembered him teaching them. His presence on pool-side will be missed for a long time to come. We are grateful to his niece, Mrs. Ward, for donating two progress trophies which will give us some-thing tangible to remember Nobbie by.

Twelve synchro girls went to London with their instructors and brought back the Barnett Copthall Cup. Well done girls and many thanks to Anna, Anne and all their helpers for all the extra hours of coaching that went on in public pool time.

Just before this magazine went to press we heard that our retired President, Harold Allan has been awarded the prestigious Western Counties Award. We send him our congratulations, no one could have been a better ambassador for swimming than him and no one could have been worthier for this recognition.

So 1988 has been a memorable 88th year for us. Swimming records continue to be broken, but more importantly Paignton Swimming Club continues to foster a love for our sport - long may it continue.

B L Jeffery.

Brian Jeffery,
Chairman, Paignton A.S./L.S.S.

HARRY TRUSCOTT – OUR NEW PRESIDENT

Harry moved from Cornwall to Paignton with his wife Vera and children, John and Susan in 1957. When Harry had taught them to swim they joined Paignton Swimming Club, which then took place at the Marine Spa on Friday evenings. Harry became actively involved in the Club and even after John and Susan left, he carried on teaching and serving on the Committee. His youngest son Simon then started to swim.

Harry has also been a very valued tutor of pre-teachers and club instructors courses.

When he was asked to become President of the Club he was very proud and delighted to accept. He has always enjoyed teaching young children to swim and wishes to continue to do so for sometime to come.

His two grandchildren, Emma, nine years old and Leanne, seven years old, are now keen Paignton Swimming Club members and they will certainly be doing their best to do their Grandad proud.

HAPPY COLUMN

Our congratulations to Donna Throgmorton and Ian Plumridge, two long standing (apologies for the pun!) P. S. C. top squad swimmers.

*** *** *** *** *** *** ***

A welcome to Carylanne . . . . . Linda and Richard's baby daughter, whose imminent arrival was announced at last year's Championships.

WATER POLO

Hi,

Yet another year has flown by and here we are at our Club Championships again.

A year of mixed fortunes for our Water Polo squads, with our under 14 boys gaining valuable experience in which, for most of them, is their first year of competitive matches. Not many wins for them, but they thoroughly enjoy their sport.

The under 16 squad has had a difficult year with only a few actual age group players, the remainder of the team being made up from the older u-14 boys.

Our under 18 squad have faired well. Twelve wins out of 16 games and two of the lost games were only because of a weakened side, due to holidays or work. They also achieved Silver Medals from the Devon Knock-out Cup, losing only to Exeter in the final.

Paignton Water Polo is very fortunate to have again the support of John Milford who's sponsorship allows us to plan ahead and has given us an extra hours pool-time next year. Thank you John.

Congratulations are in order to the players who have attained the status of playing for their county. Paul Willcocks and Graham Rule have been selected for the U-16 squad. Derren Westacott, Sam Dayment and Patrick Higgins were selected to play for the U-18 squad.

Many thanks must be given to our supporters, who play a vital part in the running of Water Polo. They provide transport and encouragement throughout the year and without them there would be no Polo. Our thanks also to Vilma and Andrew Daniels. Vilma is responsible for all the administration which includes planning fixtures and maintaining the match sheets at home matches. Andrew is Paignton's only full time Referee, which not only covers Devon, but includes matches played in other parts of England.

Last, but certainly not least, my thanks to Margaret, my wife, who acts as Water Polo Treasurer and is very understanding to all the trials and tribulations, travelling and late nights.

RAY WESTACOTT,
Coach.

LATE NEWS – Our under 18 squad are runners-up in the Devon League and will receive silver medals. Well played.

SYNCHRONISED SWIMMING 1988

Well, what a wonderful year we have had.

It started with the Barnstaple course, which proved very successful with four helpers getting their pre-teachers – Carol Jones, Christine Spurlock, Lynda and Richard Dutton.

Next came the Devon Championships with Marcia Coleman, Karen Hicks, Joanne Jones, Lucy Wiltshire, Julia Williams and Alison Cooke all doing very well in their respective age groups, for some of them it was their competition.

Then the highlight of our year, we went to Barnet Copthall in London, where out of six teams, we came first and won the Cup. Marcia was 1st with Lucy 2nd in their age group. Caroline Ashley, Juliette Ashley, Julia, Alison and Helen Hunter also were well placed. Very well done girls.

All our swimmers are gaining their grades and working hard with the help of Clare, Christine, Carol, Lesley, Mary Ley and Anna. Thank you all and extra thanks go to Anna for her many extra hours of time from the swimmers and myself.

Good Luck for the next year.

Keep at it –

ANNE BRIGHT.

To new Swimmers interested in joining us. I will be running a "Learn to Synchronise Swim" course in the New Year. Watch the Club Notice Board for further details.

HELP!

THE TEACHING OF SURVIVAL SKILLS

YOUR CLUB CONTACTS ARE :–
HARRY TRUSCOTT
BRIAN PEARCE

These Skills provide an enjoyable and purposeful method of stimulating interest in swimming and embrace such activities as "Treading Water and Floating", "Surface Diving", "Underwater Swimming", "Safe entry from a height", "Exit from the Water" and "The use of clothing as floats".

Swimming Pools are generally safe places to swim and relax in, particularly since nowadays, as in our own Paignton Club, most of the bath-side teachers hold a Nationally recognised life-saving Certificate. Nevertheless it is very important that our children should be able to save themselves and assist others when thrown unexpectedly into an open water emergency situation in the sea or river. For this reason we provide water time for children (and adults if required) to pass a series of A.S.A. Awards in Self Survival. An early grasp of these essentials may well prevent a tragic accident later.

The annual loss of life through drowning in Britain is the highest figure after motor accidents and a high proportion of the water fatalities involve children under 11 years of age – the vulnerable group. Everyone should be capable of saving themselves and responsible adults should ensure that children are given the opportunity of achieving this. We are justifiably proud of our record in this respect and trust that, with your support, more will avail themselves of the opportunity to use the facilities we provide.

"SPORTING EXCHANGES WITH HAMELIN"

The several trips we have made to our Twin Town in Germany, have resulted in many close friendships with families there and have proved to be very popular with swimmers and adults alike. We have accepted an invitation to take a team to Hamelin next year, the effective dates being, from April 5th to 12th. We also expect a return visit from the Hamelin Club in October 1989, the dates of which will be known later.

First preference of places on our trip will be given to people who have acted as host families and an early application is recommended.
