

PAIGNTON AMATEUR SWIMMING & LIFE SAVING SOCIETY

CLUB CHAMPIONSHIPS HEATS 1995.

(UNDER A.S.A. LAWS.)

Torbay Leisure Centre,
Paignton

Saturday 7th, October, 1995.

Warm Up:- 6.00 P.M.

Start :- 6.30 P.M.

We do hope that you and your children will enjoy their evenings swimming. For many children, tonight, will have been their first competitive swim and for this reason we are not announcing disqualification's, but they will have been recorded.

To comply with "A.S.A. & Health & Safety" guidelines only those swimmers who have shown repeated competency in shallow racing dives will be allowed to "Dive" in during these Championships.

To this endeavour, the Club, reserves the right to stop any competitor from diving in at the start of their races, if there is any doubt of their competency to do so safely.

We would also be grateful if you would ensure that any swimmer who wishes to start in the water due to any uncertainty in their diving skills would inform the marshals whilst being called for their respective events so that this can be arranged for them.

If you have any queries about your child's performance please contact any of our Club coaches, who will be pleased to advise you.

A list of Finalists, who will be competing in the Championships Finals on Saturday 18th, November, 1995, resulting from this evening's heats will be posted on the Club Noticeboard in due course.

On a last note, although we realise that all swimmers like to be with their parents, we would like to point out, that all swimmers should remain at the "Hot Bench" end of the pool so that they are available when called for their events, we have not got the time or the facilities to go looking for lost or absent swimmers.
