

PAIGNTON AMATEUR SWIMMING & LIFE SAVING SOCIETY.

CLUB CHAMPIONSHIPS HEATS 1997.

(UNDER A. S. A. LAWS)

Torbay Leisure Centre,
Paignton.

Saturday 4th October, 1997.

Warm Up :- 6.00 P. M.

Start :- 6.30 P. M.

We do hope that you and your children will enjoy their evenings swimming. For many children, tonight, will have been their first competitive swim and for this reason we are not announcing disqualification's, but they will have been recorded.

To comply with A.S.A. Laws & "Health & Safety" guidelines only those swimmers who have shown repeated competency in shallow racing dives will be allowed to dive in during these championships. To this endeavour, the Club reserves the right to stop any competitor from diving in at the start of their races, if there any doubt of their competency to do so safely.

We would also be grateful if you would ensure that any swimmer who wishes to start in the water due to any uncertainty in their diving skills would inform the marshals whilst being called for their respective events so that this can be arranged for them.

If you have any queries about your child's performance please contact any of our Club coaches, who will be pleased to advise you.

A list of Finalists, who will be competing in the Championships Finals on Saturday 15th, November, 1997, resulting from this evenings heats will be posted on the Club Noticeboard in due course.

To comply with A.S.A. Laws & "Health & Safety" guidelines only those swimmers who have shown repeated competency in shallow racing dives & HAVE PASSED THEIR COMPETITIVE START AWARD will be allowed to dive in during these championships. To this endeavour, the Club reserves the right to & will stop any competitor from diving in at the start of their races, if there any doubt of their competency to do so safely or they have not passed their competitive start award.

We thank you for your understanding and co-operation.

On a last note although we realise that all swimmers like to be with their parents, we would like to point out that all swimmers should remain at the "Hot Bench" end of the pool so that they are available when called for their events, we have not got the time or the facilities to go looking for lost or absent swimmers. If swimmers are not available at the time their event is called they will miss their event

Paignton A.S. & L.S.S., Committee and it's Officers would like to point out that although there is an entry fee for these championships, this by no means covers a small part of the expenses for these events and spectators will be charged an admission fee for both heats and finals evenings, as well as for programmes.

Thankyou for your understanding.

To comply with A.S.A. Laws & "Health & Safety" guidelines only those swimmers who have shown repeated competency in shallow racing dives will be allowed to dive in during these championships. To this endeavour, the Club reserves the right to stop any competitor from diving in at the start of their races, if there any doubt of their competency to do so safely.

We thankyou for your understanding and co-operation.

Paignton A.S. & L.S.S., would like to thank all of you for being so patient and supporting tonight's events, our special thanks to all of tonight's official and "backroom Boys & Girls" without whom these occasions would not be possible.

May I remind you all, swimmers and spectators alike that the Referee's decision is FINAL.

Goodnight and have a safe journey home.
