CHAIRMAN'S LETTER

Paignton Swimming Club has a membership of five hundred plus, so you can see from that figure that any swimmer taking part in to-night's Finals has every reason to be proud.

Over the years we have produced some outstanding swimmers of National standard, and we are rightly proud of their achievements. Sometimes it is to their benefit to move on to other Clubs, who can offer more water time than ourselves, but this can produce startling results in their age groups, with other young swimmers taking up the gauntlet and becoming stars in their own right.

It was very encouraging to see the high standard that was evident in the under ten age group heats. The times produced were very competitive and Club records were broken, well done Carl and Jaime.

I would like to thank Mr. Van der Brand of Buswell Refrigeration for his generous sponsorship over the year and for the interest and support he gives to the Club. Also thanks are in order for the help and co-operation we receive from Mr. Andy Westwood and his staff at The Leisure Centre.

Good luck to all the competitors in to-night's Finals, let's hope we see more records broken, but most of all that we have an enjoyable evening's swimming.

Brian Jeffery,
Chairman,
Paignton A.S. / L.S.S.

TAKING THE PLUNGE IN '85

They say that swimming can give you an awful lot of pleasure but not many of the swimming teachers would have said, confidently, that you will find a prospective marriage partner at the end of a gala, but thanks to swimming and our Club coaches we have found each other and as a result the picture above is evidence of our wedding and we would like to take this opportunity to express our heartfelt thanks for all the good wishes and gifts we have received on the occasion of our marriage.

Thank you ALL.

WATER POLO 1985

It has been a very disappointing year for Water Polo, especially after a very successful season last year. We desperately need a coach to take training and tactics of the game. Do you know of anyone?

We have had our good games and the most successful out of the four teams has been the U.16's. Two members of that team, Sam Dayment and Derren Westacott have attained places in the Devon U.16 Squad. From the trials held for the U.18's, Jared Spencer and Mark Plumridge were selected, with Mark going through to the final squad.

For the first time in the Club's history we have three fully qualified referees - Andrew Daniels, Norman Sawyer and Richard Langston, who passed their theory and practical examinations earlier in the year and have been refereeing games all season.

We would like to thank the parents who provided transport through the season, sometimes at very short notice, also Jared Spencer, Richard Langston, Jason Jeffrey and Andrew Daniels for their help in coaching the U.14 and U.16 teams.

A special thanks to Mrs. Maureen Spencer and Mr. Ray Westacott for the help and support given over the past year. I would like to thank Mr. Milford for his sponsorship over the last year which did help us financially a great deal.

Hi there!

Well 1985 has been a great year for the Torbay Life Savers. The year has seen an increase in membership and an even bigger climb in the Life Saving Examinations passed. The Club showed this by being the major force at this year's Open Water Awards at Brixham. We were especially glad to see the increase in younger members who wanted to learn more about this valuable community service of life saving. Numerous courses are now running and more are just starting and so all levels are being covered.

A special squad has also been training for two months to take on Hamelin in Germany this October. They are, after this training, confident of retaining the trophy won last year.

Over the last year numerous Social and Fund Raising events have taken place. Events such as the Club's day on the beach, where such things as water skiing, windsurfing and sub-aqua were possible. On September 28th the Club held its first major draw, which was an enormous success.

Credit must therefore be given to the Committee who this year have worked hard to organise such events. Their job however, is not yet quite over as they are organising the Club's Dinner and Dance for Friday, the 13th December at the Bancourt Hotel. No need to be superstitious, so we expect to see you all there.

See you on Sunday!
