Williams Shield - Report 4th May 2005,

Another good result for Paignton finishing second to a very strong Newton Abbot team.

Many, many good swims; ADAM MURCH led us off with a powerful swim in the 1 length FLY, winning the race. A string of second places followed in the toughest of the events, 2L's FLY, confirmed that we were going to be competing all the way. And LEVIN VEALE put everything into his race and just about managed to pull himself out of the pool at the end, and caught his breath about 10 minutes later! - Traditionally the FLY always attracts the best of the club's swimmers so it was always going to be tough to pick up good points here and we did.

Two excellent wins came next in the BREASTSTROKE from CALLUM FACEY and SAM HEDGES, Callum's time of 1:07.45, if converted to a 50m time would be a new PB for him.

EMMA PUTT after coming 2nd the 1L FLY in the second event, beat off some very strong opposition to win the 2L BACKSTROKE which didn't go unnoticed by the NEWTON ABBOT coach - a compliment indeed.

Finishing off the individual events we had two very fast and powerful swims getting wins in the 2L FREESTYLE from JESS INGOLDSBY and BRETT ANDERSON who both gave there best ALL NIGHT.

The RELAY events were as exciting as ever, and we showed great competitiveness winning 3 out of 4 of the MEDLEY RELAYS and of course WE WON THE 8X1 Cannon - but I knew we would!!

From a coach's perspective it was a 100% turn-out, and another great team performance. I continue to be impressed by the swimming of some at the younger end; both ROSALIND GRAY & CHASE RUSHWORTH are developing excellent technique, keep it up!

JOE MURCH's individual BREASTSTROKE time and FREESTYLE leg time were very good, and MATTHEW TIDESWELL's backstroke is wonderful to watch.

FINALLY this is a TEAM event, and it couldn't happen without everyone in the team AND perhaps swimming in events you don't like -

(WE NEED YOU TO DO THAT FOR THE TEAM!!) so thanks to ALL who took part that I haven't mentioned yet....DEVON HARPER, REECE ANDERSON,

BECKY LANGMAN, CLAIRE BROOKING, LIZZY MARKE, AMY HENDRY, LUCY CASELDINE, KYLE ACHESON,

GARETH WILSON, MOLLY GREENSLADE, KIARNA RUSHWORTH, ETHAN WARD, ED BLACKBOROW, HATTIE BLACKBOROW,

SAM McMAHON & TOM MURCH - Many thanks again. - WELL DONE!!
